

Tamara Thomsen

2409 Allen Blvd., Middleton, WI 53562
tami@diversions-scuba.com
Phone: 608 827 0354/ Cell: 608 347 2822

General:

MS Genetics (93) - University of Wisconsin-Madison, Certified Diver since 1990; Working in the Scuba Industry since 1991; Teaching Scuba since 1993, 3700+ logged dives.

Instructor Certifications:

- PADI Master Instructor
- PADI IDC Staff Instructor
- PADI Master Scuba Diver Trainer
- PADI Open Water Scuba Instructor
- PADI Emergency First Responder Instructor
- PADI Specialty Instructor:
 - Enriched Air Diver
 - Search & Recovery Diver
 - Underwater Navigator
 - Dry Suit Diver
 - Night Diver
 - Deep Diver
 - Wreck Diver
 - Ice Diver
- Cavern Diver
- Equipment Specialist
- Draeger Dolphin SCR
- Oxygen First Aid
- Underwater Photographer
- Underwater Videographer
- Diver Propulsion Vehicle
- DSAT Trimix Gas Blender Instructor
- DAN Oxygen Provider Instructor
- ACUC O2 Instructor
- TDI Basic Nitrox Instructor
- TDI Advanced Nitrox Instructor
- TDI Deco Procedures Instructor
- TDI Extended Range Instructor
- TDI Entry Level Trimix Instructor
- TDI Advanced Trimix Instructor
- TDI Nitrox Gas Blender Instructor
- TDI Advanced Gas Blender Instructor
- TDI Service Technician Instructor
- IANTD Advanced Wreck Instructor
- IANTD Intro to Cave Instructor
- IANTD Technical Cave Instructor
- IANTD Adv. Cave Instructor- Sidemount
- IANTD Adv. Cave Instructor- Survey
- IANTD Adv. Cave Instructor- Stage
- IANTD Adv. Cave Instructor- DPV
- IANTD Megalodon CCR
- IANTD KISS Classic CCR

Technician Certifications:

- PSI Cylinder Inspector
- Poseidon Regulator Service Technician
- Scubapro Regulator Service Technician
- Scubapro Professional Service Technician
- Sherwood Regulator Service Technician
- Zeagle Regulator Service Technician
- Viking Drysuit Repair Technician
- DUI Drysuit Repair Technician

Awards:

- 2008 NSS-CDS International Cave Diving Endorsement
- 2008 NSS-CDS Sheck Exley Safe Cave Diving Award
- 2008 NACD Gold Wakulla Safe Cave Diving Award
- 2006 Minnesota Magazine & Publication Association, Silver Excellence Award- Best Use of Visual/Photography for "Going into the Deep", *Lake Superior Magazine*.
- August 2006 Mega Pixel of the Month- Popular Science Magazine
- 2006 NSS-CDS Outstanding Volunteer Award
- 2006 Ghost Ships Festival Featured Photographer- Great Lakes Shipwreck Research Foundation
- 2005 Nautical Archaeology Society Photography Contest, First Place- "Survey of Schooner *Iris*"
- 2005 The Great Lakes Historical Society Photography Contest, First Place- Underwater, "*Finn McCool*"
- 2005 The Great Lakes Historical Society Photography Contest, Second Place- Underwater, "*Ocean Wave Bow*"
- 2005 Ghost Ships Festival Featured Photographer- Great Lakes Shipwreck Research Foundation
- 2004 The Great Lakes Historical Society Photography Contest, First Place- Underwater, "*Newell A. Eddy Capstan*"
- 2004 The Great Lakes Historical Society Photography Contest, Second Place- Underwater, "*Munson Artifacts*"
- 2002 NSS-CDS Nicholson Safe Cave Diving Award
- 2001 NACD Silver Wakulla Safe Cave Diving Award
- 1998 NACD Bronze Wakulla Safe Cave Diving Award
- 1998 NSS-CDS Abe Davis Safe Cave Diving Award

Projects:

- Proyecto Arqueológico el Culto al Cenote (2008), Universidad Autonoma de Yucatan, Merida, Yucatan, Mexico
- Bermuda Cave Inventory (2008), Texas A&M University-Galveston, Hamilton, Bermuda
- Schooner Barge *Moonlight* Archaeological Survey (2007), Wisconsin Historical Society / GLSPS, Michigan Island, WI
- Mackinaw Boat Archaeological Survey (2007), Wisconsin Historical Society, Madeline Island, WI
- Cave-Adapted Crustacean Survey (2007), Texas A&M University-Galveston, Eleuthera, Bahamas
- Steamer SS *Wisconsin* Archaeological Survey (2007), Wisconsin Historical Society, Kenosha, WI
- Yucatan Ring Cenote Expedition (2007), Advanced Diver Magazine, Homún, Yucatan, Mexico
- Bulk Freighter *Marquette* Archaeological Survey (2006), Wisconsin Historical Society / GLSPS, Michigan Island, WI
- Schooner *Rouse Simmons* Archaeological Survey (2006), Wisconsin Historical Society, Two Creeks, WI
- Steamer *Continental* Archaeological Survey (2006), Wisconsin Historical Society / East Carolina University, Two Rivers, WI
- Cave-Adapted Crustacean Survey (2006), Texas A&M University-Galveston, Abaco, Bahamas
- Yucatan Ring Cenote Expedition (2006), Advanced Diver Magazine, Homún, Yucatan, Mexico
- Wisconsin Historical Society Diving Safety Control Board (2005, 2006)
- Scow Schooner *Tennie and Laura* ROV Survey (2005), Wisconsin Historical Society, Port Washington, WI
- Schooner *Daniel Lyons* Archaeological Survey (2005), Wisconsin Historical Society, Algoma, WI
- Scow Schooner *Ocean Wave* Preservation Project (2005), Wisconsin Historical Society, Sevastopol, WI
- Schooner *Iris* Archaeological Survey (2005), Wisconsin Historical Society, Jackson Harbor, WI
- NSS-CDS Cave Diving Workshop Committee (2005, 2006)
- Cave-Adapted Crustacean Survey (2005), Texas A&M University-Galveston, Long Island, Bahamas
- Reynolds' Pier Archaeological Survey (2004), Wisconsin Historical Society, Jacksonport, WI
- Apostle Islands' Wrecks Photo Mosaic Survey (2004), Wisconsin Historical Society, Bayfield, WI
- Yucatan Ring Cenote Expedition (2004), Advanced Diver Magazine, Chochola, Yucatan, Mexico
- Cay Sal Blue Hole Expedition (2004), Advanced Diver Magazine, Cay Sal, Bahamas
- Schooner *Kate Kelly* Archaeological Survey (2003), Wisconsin Historical Society, Racine, WI
- Schooner *Lumberman* Archaeological Survey (2003), Wisconsin Historical Society, Oak Creek, WI
- Boiling Spring-Texas County, MO Survey (2003), Project Leader -Licking, MO, NSS Ozark Highlands Grotto-Springfield, MO
- Piquette Mine Project (2002-present)University of California-Berkley, Department of Planetary and Earth Science, Tennyson, WI
- Morgan Big Spring Survey (2002), Project Leader -Laclede County MO, NSS Ozark Highlands Grotto-Springfield, MO
- USS *Monitor* Expedition Phase III (2001), National Undersea Research Center- Scientific Diver, Hatteras, NC
- Currituck Sound Remote Sensing Survey (2001), East Carolina University, Currituck, NC
- USS *Monitor* Expedition Phase I (2001), Cambrian Foundation- Scientific Diver, Hatteras, NC
- USS *Monitor* Expedition Phase III (2000), Cambrian Foundation- Scientific Diver, Hatteras, NC
- Boiling Spring on the Gasconade Cave Exploration Project (2000-2003), Project Leader -Dixon, MO, NSS Ozark Highlands Grotto- Springfield, MO
- Piquette Mine Project (1999-2002), University of Wisconsin-Madison, Department of Geology and Geophysics, Tennyson, WI
- Castle Rock Spring Cave Exploration Project (1998-2000), Project Leader- Fennimore, WI, Wisconsin Speleological Society-Madison Chapter

Presentations:

- Caves of Bermuda- April 2008, Universidad Autonoma de Yucatan, Merida, Yucatan, Mexico
- Wisconsin Historical Society's 2007 Field Work, March 2008, Ghost Ships Festival, Milwaukee, WI
- SS *Wisconsin* Survey- March 2008, Wisconsin Maritime Museum, Manitowoc, WI
- Wisconsin Historical Society's 2007 Field Work, February 2008, Dive into the Past, Minneapolis, MN
- Caves of Bermuda- February 2008, Dive into the Past, Minneapolis, MN
- The "Christmas Tree Ship" Survey- February 2008, Museum at the Castle-Outagamie County Historical Society, Appleton, WI
- The "Christmas Tree Ship" Survey- December 2007, Wisconsin Marine Historical Society, Milwaukee, WI
- SS *Wisconsin* Survey- December 2007, Neptune's Nimrods Dive Club, Green Bay, WI
- Wisconsin Historical Society's 2007 Field Work, October 2007, WUAA Underwater Archaeology Conf., Milwaukee, WI
- The "Christmas Tree Ship" Survey- October 2007, Wisconsin Historical Society Museum on the Square, Madison, WI
- The "Christmas Tree Ship" Survey- September 2007, Underwater Archaeological Society of Chicago, Chicago, IL
- The "Christmas Tree Ship" Survey- June 2007, Potawatomi State Park, Sturgeon Bay, WI
- The "Christmas Tree Ship" Survey- May 2007, National Archives, Chicago, IL
- The "Christmas Tree Ship" Survey- April 2007, Beloit Historical Society Annual Dinner, Beloit, WI
- The "Christmas Tree Ship" Survey- April 2007, Charles E. Brown Lecture Series-Wisconsin Historical Society, Madison, WI
- Blue Holes of the Bahamas- February 2007, Dive into the Past, Minneapolis, MN
- USS Monitor- January 2007, Neptune's Nimrods Annual Banquet, Green Bay, WI
- 2005 Fieldwork on the Shipwrecks of Door County- August 2006, Potawatomi State Park, Sturgeon Bay, WI
- Schooner *Daniel Lyons*- January 2006, Wisconsin Maritime Museum, Manitowoc, WI
- Shipwrecks of Door County- June 2005, Whitefish Dunes State Park, Sevastopol, WI
- Boiling Spring on the Gasconade, January 2005, Our World Underwater, Rosemont, IL
- Life on Mars: The Piquette Mine Project, January 2005, Our World Underwater, Rosemont, IL
- Wisconsin Shipwrecks- A Photographic Tour, November 2004, Wisconsin Maritime Museum, Manitowoc, WI
- Boiling Spring on the Gasconade, September 2003, Four Lakes Scuba Club, Madison, WI
- Big Spring-Laclede County, MO; Boiling Spring-Pulaski County, MO; Boiling Spring-Texas County, MO, 2003 NSS Map Salon, Aug. 2003, Vacaville, CA
- Sidemount Missouri (with Eric Parker Andersen & Richard Dreher)- 2003 NSS Video Salon, August 2003, Vacaville, CA
- Big Spring-Laclede County, MO; Boiling Spring-Pulaski County, MO; Boiling Spring-Texas County, MO, 2003 NSS-CDS Wrkshp. Map Salon, May 2003, Gainesville, FL
- Sidemount Missouri (with Eric Parker Andersen & Richard Dreher)- 2003 NSS-CDS Workshop Video Salon, May 2003, Gainesville, FL
- USS Monitor Expeditions, February 2002, Four Lakes Scuba Club, Madison, WI
- Science Underwater-The Piquette Mine Project, October 2001, Four Lakes Scuba Club, Madison, WI
- Exploring Piquette Mine, September 1999, Wisconsin Speleological Society-Madison Chapter, Madison WI
- Castle Rock Spring Cave, March 1999, Wisconsin Speleological Society-Madison Chapter, Madison WI
- Surviving Hurricane Mitch on Isla Guanaja (Honduras), January 1999, Four Lakes Scuba Club, Madison, WI
- North Florida Cave Diving, September 1998, Four Lakes Scuba Club, Madison, WI
